

EPS Insulation Board Manufacturer Certificate of Acceptance

This certificate acknowledges that

Versa-Tech, Inc.
UL R22199

Is approved by BASF Construction Chemicals, LLC to manufacture and distribute EPS Insulation Board for all BASF Wall Systems brands. Your product has been approved for use in Senergy, Finestone, Acrocrete and SonoWall Wall Systems as of April 25, 2008

BASF Construction Chemicals, LLC 3550 St. Johns Bluff Rd. S. Jacksonville, FL 32224

This certification process is based on the manufactured EPS board meeting agreed upon EPS EIFS board specifications. Any deviation from these specifications will void this certification. BASF Construction Chemicals, LLC is not the manufacturer of the EPS insulation boards and cannot guarantee or hold liability on its performance.
